Sir:

REPLY

This reply is filed in response to the Office Action of December 13, 2002. A request for extension of time of three months and the appropriate fee are being filed concurrently with this reply. Prompt and favorable reconsideration of this application in view of the amendments and remarks below are respectfully requested.

IN THE CLAIMS:

Cancel claims 1-12 without prejudice or disclaimer and add claims 13-21.

Claims 1-12 (canceled)

13. (new) A method for selectively inducing production of butyrate by bacteria in the colon of a human in need thereof comprising administering D-tagatose to said human in a daily amount of 5-30 grams to selectively induce production of butyrate.
